Program Overview

The Entertainment Business Interruption Fund, (BIF), is funded by the American Rescue Plan (ARP). The BIF is designed to support qualified small businesses that serve the Entertainment Industry in Los Angeles County (County).

To learn more or apply, visit the Program page <u>here</u>.

The BIF is targeted to entertainment related small and micro businesses that are located in the highest, high, and/or moderate impact areas (tiers) on the COVID-19 Vulnerability and Recovery Index, using the Equity Explorer Mapping Tool. Click on the link to identify which tier your business is in and to see if you are eligible.

The Tool uses the COVID-19 Vulnerability and Recovery Index to identify and visually sort County, cities, and communities into five need tiers ranging from highest to lowest need based on COVID-19-related risk, severity, and recovery need. Using this information, the County will target BIF funding toward communities with the greatest need only in the top three Tiers. If your business is in the low or lowest tier, you are not eligible for funding.

In July 2020, the Los Angeles Board of Supervisors created the Anti-Racism, Diversity, & Inclusion (ARDI) Initiative to prioritize the County's ongoing commitment to fighting racism and inequity in all its dimensions. As such, the ARDI team created the Equity Explorer Mapping Tool which allows users to identify high need areas throughout Los Angeles County disproportionately impacted by the COVID-19 pandemic and inequity.

Section 8: Banking Information

Why is your banking information needed?

Lendistry uses a third-party technology (Plaid) to verify your bank account and set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry's Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies.

This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. If an applicant does not have an online banking setup, or their bank account cannot be verified through Plaid, the applicant is required to submit the two (2) most recent months of bank statements with transaction history.

Important Note: The bank account must be for the primary owner of the business.
